Hello!

The Marshall Recreation Department is actively seeking volunteers age 14 and up for our fall & winter programs.

- **Step 1:** Complete this form and return by email or mail.
- **Step 2:** Complete a Background Check form. Can be found at [www.marshallrec.com](http://www.marshallrec.com) under "schedules, documents, forms"

Note: if you already have a form on file at the Rec Dept., you do not need to complete another one.

- **Step 3:** We will confirm your assignments as soon as possible via the email on your form.

Studies show the more time you spend volunteering the happier you will be! Volunteering can help with future employment and you can fulfill your NHS hours with us! Thank you in advance for your consideration.
